CE Committee Minutes

Board Member Present: Dr. Alan Demmitt, Ms. Mary Venrick, Ms. Erin Michel

Staff Present: Ms. Paula Broome, Mr. Brian Carnahan, Ms. Rhonda Franklin, and Ms. Patty Miller

Dr. Demmitt called the meeting to order at 1:00 PM.

Ms. Venrick moved to approve the September minutes. Ms. Michel seconded the motion. The motion passed.

Mr. Carnahan discussed the OSU continued competence program. The program is an interesting approach to continuing education. OSU is exploring the next steps. The Board is willing to consider future proposals.

Ms. Broome presented details on recently completed audits and reported on information requested by Dr. Demmitt in September.

The Committee discussed the appropriateness of Board Members issuing Continuing Education Units.

Ms. Broome brought up the report given to the full board of what was discussed at the CE meeting was not being relayed correctly and sometimes not mentioned at all.

Ms. Broome also reported that as of 11/3/2014 the Board now has a non-disciplinary fee for licensees renewing with less than 30 hours. The fee would be \$50 to \$100 dollars for the first incident. If there is a second incidence the licensee would be referred to investigation. 4757-1-07(C).

Ms. Miller asked Members to follow up on the question of whether an Ohio provider must have an Ohio licensee review programs. The SWPSC does not require providers have a licensee from Ohio.

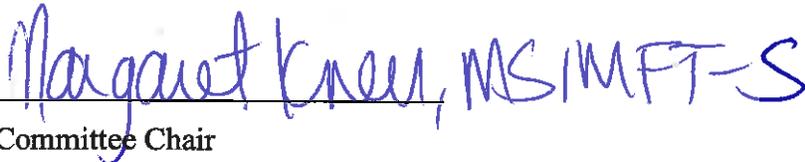

Talbert House is requesting provider status after waiting one year and submitting programs individually. Over the one year period of time the individual programs were submitted with multiple errors in the documentation. Discussion took place and the decision was made to deny

the request. The agency can re-apply in six months provided the needed paperwork and documentation is submitted during those six months.

Ms. Franklin brought a post-request for approval on a supervision program held for judges that was being requested to be approved for supervision CEUs for a social worker. The program was approved for continuing education only.

Ms. Franklin requested the supervision guidelines for MFT's from Dr. Demmitt.

The meeting concluded at 1:45 PM.
