- Ms. Bomas moved to accept the minutes. Dr. Salkil seconded the motion. Motion passed.
- Mr. Carnahan discussed the Social Work Continuing Education survey. The two Social Work graduate students continue to analyze the results. Some key findings include: costs is an issue, as is the ability to take time off to complete CEs; many employers support CE as a concept, but seem less committed when it involves paying or providing time off; quality is a concern; Social Workers want more reciprocity for CE.
- Ms. Broome discussed changes she is implementing to enhance the tracking and follow up of CE audits. She also briefed the Committee on a change made by a web-based provider of CE that was not listing its approved programs properly.
- Ms. Miller shared several programs with Committee members for review in the Professional Standards Committees.
- Ms. Franklin presented two issues related to the Supervisor designation in instances where a licensee is returning from inactive status or has surrender the designation.
 - Licensees with an S-designation returning from inactive status must complete six (6) hours of supervision Continuing Education, in addition to six hours of ethics CE. Moved to approve by Dr. Salkil, seconded by Ms. Bomas; passed.
 - Licensees who surrender an S-designation must complete six (6) hours of supervision Continuing Education to have the designation re-issued. Moved to approve by Dr. Salkil, seconded by Ms. Bomas; passed.
- The meeting concluded at 2:00 PM.
