

By submitting your application for LSW/LISW licensure, you are also requesting approval to take the ASWB licensure exam. This initial exam approval is valid for six months.

If you need to extend your exam approval, or if your exam approval expired, or if you failed the test and need to re-take it, you would submit the Request for Exam Re-approval:

Go to: elicense.ohio.gov and log into your e-Licensing account. Once you log in, you may go to your Application "Tile" (the Tile looks like a mini-certificate) and click the option button, then select Exam Re-Approval.

If you have not already created an account through e-Licensing, click **Login / Create Your Account** under **New Users** scroll down and click on **I HAVE A LICENSE**. If you have not received your security code by email, you will need to enter your SSN number to obtain your security code, and then after you've created an account you'll be able to request exam re-approval.
