

Erin Michel was appointed to the Board in 2013 by Governor Kasich. She is a licensed social worker. She earned her Master of Social Work degree in 2010 from The Ohio State University and was awarded MSW Social Administration Student of the Year. Prior to that, she earned Bachelor degrees from Loyola University Chicago in Political Science and Women's Studies. She has been dedicated to community service for more than a decade. Her grassroots organizing experience set the foundation for her knowledge, skills, and passion for social work. Her primary professional interests include youth development, program evaluation, and ethical practice. She has served in the capacities of a program manager, researcher, event organizer, policy advocate, and public speaker.
