**C. Failure to Meet Examination Requirements**

If the **Counselor Professional Standards Committee** determines that your degree or license from another state does not meet the requirements of Rule 4757-13-03, you will not be allowed to sit for the exam, if required.

**D. Supervision Requirements**

Professional Clinical Counselor must have 2 years (3000) hours post licensure (PC) supervised hours of practice. Hours logged as a PC/Clinical Resident towards the PCC on the Counselor Trainee Supervision Agreement Form must: begin after receipt of a letter from the board indicating that you have received your PC; and be registered prior to the experience; or be training supervision as defined in paragraph (A)(3)(c) of Rule 4757-13-03.

The hours on the agreement are an estimate of your hours towards supervision. The Board understands that you may change the number of hours during your training; you will have an opportunity to report the exact hours at the end of the experience on an **Evaluation and Verification Form**. IF THE CT AGREEMENT IS SUBMITTED LATE, THE BOARD WILL ONLY ACCEPT THE EXPERIENCE FROM 60 DAYS PRIOR TO THE DATE IT IS RECEIVED

Out of state experience will be accepted if it meets the requirements for PCC; is submitted on the **Evaluation and Verification Form**; and if the supervisor includes a resume or vita so that we may ascertain that the individual would meet the minimal requirements to hold an Ohio license.

Submit an **Evaluation and Verification Form** at the end of the experience. Since it is not possible for us to confirm receipt of your materials, you may choose to send materials certified mail.

**Each time you change supervisors you must submit a new supervision** agreement at the beginning of the experience and Evaluation and Verification Form at the end until you have logged 3000 hours of supervision

**The Board accepts a maximum of 1500 hours per year.** The year is from the initial date of supervision until the same date in the next year. The two years (3000) hours of supervised experience must be obtained after the award of the Professional Counselor license) PC.

### **IMPORTANT**

You may start your experience after submitting the supervision agreement. All approvals are contingent upon meeting the requirement of section 4757-17-01 ORC. This approval will be invalid if these conditions are not met.
