

4757-19-02 Requirements for licensure as an independent social worker

(C)(2) Two years of supervised social work experience: defined as follows:

(a) **"Two years employment experience"** means at least two complete years supervised experience which includes **three thousand hours of work** for a fee, salary or other consideration, during which time the applicant was engaged in the practice of social work and held licensure as a social worker; except that **no applicant may be credited with more than fifteen hundred hours of experience during any twelve-month period;**

(c) The dates that the supervised experience was obtained, **not the date of application**, will determine the type of acceptable experience required for an applicant to be licensed as a licensed independent social worker.

4757-23-01 Social Work Supervision

(A)(2) **"Training supervision"** means supervision for the purposes of obtaining a license and/or development of new areas of proficiency while providing services to clients. The training supervisor is responsible for providing direction to the supervisee, who applies social work theory, standardized knowledge, skills, competency, and applicable ethical content in the practice setting. The supervisor and the supervisee both share responsibility for carrying out their role in this collaborative processes of professional growth and development. **Training supervision may be individual supervision or group supervision.**

(D)(1) **One hour** of individual and/or group supervision **for each twenty hours of work** by the supervisee with **no less than one hundred fifty hours total.**
